

**INVITATION LETTER****INVITATION LETTER****Invitation to Register for Participation in the OSD Production Equipment Tender
Oral Solid Dosage (OSD) Manufacturing Project****Date:** 17 July 2026**Dear Sir/Madam,**

On behalf of Binh Dinh Pharmaceutical and Medical Equipment Joint Stock Company (Bidiphar), we are pleased to invite qualified and experienced equipment manufacturers, suppliers and system integrators to register their interest in participating in the tender for the procurement, supply and installation of production equipment for Bidiphar's Oral Solid Dosage (OSD) Manufacturing Project.

1. About Bidiphar

Bidiphar is one of Vietnam's leading pharmaceutical manufacturers, with more than four decades of experience in the research, development, manufacturing and commercialization of pharmaceutical products.

As part of its long-term strategic development, Bidiphar is investing in a new Oral Solid Dosage (OSD) Manufacturing Project to strengthen its manufacturing capabilities, expand its product portfolio and enhance its presence in highly regulated domestic and international pharmaceutical markets.

The OSD facility is being designed, constructed, commissioned and qualified with the objective of complying with applicable European Union Good Manufacturing Practice (EU GMP) requirements and relevant international pharmaceutical engineering and computerized system lifecycle principles, including ISPE guidance and GAMP 5.

The Project includes the procurement, supply, installation, commissioning and qualification support of key pharmaceutical production equipment and integrated systems for the manufacture of oral solid dosage forms.

This Project represents one of Bidiphar's significant strategic investments and is an important milestone in the Company's long-term vision to become a leading pharmaceutical manufacturer in Vietnam, operating in accordance with international regulatory standards and expanding its presence in regulated global markets.

Recognizing the strategic importance and technical complexity of the Project, Bidiphar intends to invite qualified equipment manufacturers, suppliers and system integrators with proven experience in pharmaceutical OSD manufacturing equipment, GMP-compliant design, automation, data integrity, commissioning, qualification, technical training and after-sales service to register for participation in the OSD Production Equipment Tender.

The purpose of this registration stage is to identify bidders with suitable technical capability, relevant pharmaceutical industry experience, adequate project resources and the ability to provide equipment and systems meeting applicable GMP, engineering, qualification and computerized system requirements.

INVITATION LETTER

2. Project and Tender Package

The tender package covers the procurement, supply, installation, commissioning and qualification support of production equipment and associated systems for the OSD Project. The preliminary equipment list is provided in the enclosed Confirmation of Participation Form. The final scope, technical specifications, User Requirement Specifications (URS), qualification requirements and commercial instructions will be issued to eligible bidders after completion of the registration and confidentiality process.

3. Eligibility Expectations

Interested bidders should demonstrate, as applicable:

- Proven experience in the design, manufacture, supply and installation of pharmaceutical OSD production equipment or integrated systems;
- Relevant references for projects implemented in GMP-regulated pharmaceutical facilities;
- Capability to support design review, FAT, delivery, installation, commissioning, qualification and technical training;
- Capability to provide documentation suitable for GMP qualification and lifecycle management, including computerized system documentation where applicable;
- Adequate after-sales service, spare parts support and technical assistance for the project lifecycle.

4. Documents to Be Submitted at the Registration Stage

Interested bidders are requested to submit the following documents:

- Completed and duly signed Confirmation of Participation Form, indicating the equipment or systems for which the bidder intends to participate;
- Duly signed Confidentiality Undertaking / Non-Disclosure Agreement (NDA);
- Basic company profile and the nominated primary contact person for this tender process, where available.

5. Submission Deadline and Method

The completed registration documents must be returned to Bidiphar no later than **09:30 on 22 July 2026 (Vietnam Time, GMT+7)** by email to:

Person in charge	Mr. Tran Dinh Khai
Department	Project Management Department
Email	khaitd@bidiphar.com
Mobile	+84 979 791 299
Messaging applications	WhatsApp, Zalo, WeChat and Viber

6. Next Steps

Upon receipt and review of the completed Confirmation of Participation Form and the signed confidentiality undertaking/NDA, Bidiphar will provide eligible bidders with the official Invitation to Tender, the applicable URS documents, the detailed equipment scope and other relevant tender documents.

INVITATION LETTER

Submission of the registration documents does not constitute a commitment by Bidiphar to shortlist any bidder, issue a tender package, or award any contract. Bidiphar reserves the right to request clarification or additional qualification information where necessary.

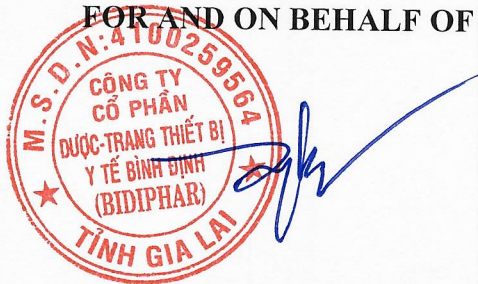

7. Enclosures

- Confirmation of Participation Form – OSD Production Equipment;
- Confidentiality Undertaking / Mutual Non-Disclosure Agreement (NDA).

Bidiphar appreciates your interest and looks forward to receiving your registration documents within the stated deadline.

Yours faithfully,

FOR AND ON BEHALF OF BIDIPHAR

TRAN QUANG HOA
